

Coccidioidomycosis Study Group
54th Annual Meeting
March 27, 2010

Surprise City Hall Council Chambers
Located at 16000 N. Civic Center Drive, Surprise, AZ.

Target Audience

Health care professionals, epidemiologists, and scientists interested in coccidioidomycosis.

Registration

Registration for the meeting will be free. Look for further information in the forthcoming months.

Program

The program will be open to papers on everything from basic science to clinical medicine and all points in between. Based on discussion of the CSG membership at the last meeting, a program committee will review titles and/or abstracts and put together a program that encompasses as many papers as possible, yet still gives time for open discussion. The “Most Unusual Cases of Cocci” session, which has been part of the program for the past 21 years, will be continued. Be thinking about exceptional cocci cases to wow the crowd. Further information will come in future communications.

Spring Training

Surprise Arizona is the home of the Spring Training facility of the Texas Rangers and Kansas City Royals. The CSG 2010 meeting will take place during professional baseball’s Spring Training season. Depending on the interest of the CSG attendees, (and the Spring Training schedule) we are looking at a possible CSG social gathering at the nearby Spring Training facility. More information will be forthcoming.

Hotel Information

There are two hotels (see below) less than a mile from the Surprise City Council Chambers. 100 rooms have been blocked for CSG 2010 attendees. **Please call now to reserve a room as a soon as possible**, as the hotels are near the Surprise Spring Training baseball stadium and unreserved rooms will need to be released in early 2010.

Reservations for the room block can be made as follows:

Call 623-975-5540 or Email sales@ami-pcm.com. Give the Booking Code “COS” and specify which hotel, the Holiday Inn Express (for \$139) or the Residence Inn (for \$159).
